

Attendance

Parents/Carers should ensure that their children arrive to school on time, in the correct uniform and ready to learn. The school day is organised to help the children optimise the learning opportunities.

School starts at 8.45 a.m. and ends at 3.15 p.m. We expect all children to arrive to school and be collected on time.

If your child is absent, it is your responsibility to inform the school; failure to do so will result in your child having an unauthorised absence.

The school **cannot** authorise any requests for holidays during term time, as they disrupt the child's education. In exceptional circumstances, requests for leave of absence can be considered. Please make an appointment with the Headteacher first. The Academy does not have to authorise any requests, so please check first.

Standard of Achievement

- All children are expected to work hard and present their work clearly and to the best of their ability.
- Pupils are asked to take care of school equipment and resources, and to replace

Behaviour

- Pupils are expected to report any incidents of aggressive/unkind behaviour to staff.
- Pupils are rewarded for good conduct, attainment and achievement verbally, in written comment and through celebration of work and celebration assemblies.
