Introduction

At Uplands, we offer a variety of extracurricular opportunities throughout the year. This includes clubs, visits and other in school experiences. These experiences allow children to develop key life skills and to try activities they may not normally consider. To find out more about the clubs, please check out the school website.

Before signing up to any club, please ensure that you have spoken to your child and they wish to attend.

To sign up for the clubs, please check the final column. All sign up dates on gateway will close the week before. If your child fails to turn up for a club, their position will be offered to someone else, unless absent from school or has an appointment (proof shown to office). If it is a paid club, no refund will be given if they do not attend or cancel. Should your child's behaviour be deemed unacceptable, their position may also be forfeited. **If your child has not signed up, they will not be accepted in the club and you will be asked to collect your child.**

Monday
