

A message from the Head of School

Wow! What a year it has been. We are so incredibly proud of every single one of the children's achievements this year. We are particularly proud of how we have achieved the school value of community this term. The music festival was a huge success and such a clear indicator of the incredible music offer we have at Warren. A huge thank you to Mr Stanton for his continued dedication to teaching the children how to play instruments and perform in front of others!

It was fantastic to welcome so many parents and carers to school for the festival and we hope to make this an annual event moving forward!

Children in Year 5 and Year 6 also had an exciting time away at Walesby Forest with myself, Mr Holder, Mrs Shaw and Mr Eddyshaw. They got to try so many new experiences and showed such commitment to trying things out of their comfort zone!

We are equally proud of the KS2 SATs results that our Year 6 pupils achieved this year:

	<u>Warren %</u>	<u>National %</u>
Reading	87%	75%
Writing	78%	72%
Maths	83%	74%
GPS	78%	73%
Combined	78%	62%

Our overall results are higher than the national averages across the board for all of the subject areas, which is truly amazing!

The children's hard work, determination, and resilience have truly paid off, and this outstanding achievement reflects not only their dedication but also the support of our teachers, staff, and families. Well done to all our brilliant pupils – you are shining examples of what can be achieved with passion and perseverance!

Year 6 have also been competing in football games over the last two weeks with Huntingdon Academy and Rise Park Primary. The games were hosted at Warren thanks to Mr Eddyshaw, and gave the children an opportunity to take part in competitive matches. A huge well done to all of the children who were involved in these games!

Finally, we are saying goodbye to Mrs Baker today, who has been a Teaching Assistant at Warren Academy for 25 years. We want to say a huge thank you to Mrs Baker and wish her a very happy retirement!

Together, we have created a year of meaningful progress and memorable experiences. I extend my heartfelt thanks to our dedicated staff for their unwavering commitment and to all of our parents and guardians for your ongoing support. From everyone here at Warren, we hope you have an enjoyable and safe summer break and will see you back at school on Wednesday 3rd September.

Kind regards,

Mrs Salam

Attendance matters

A message from Mrs Neat – our attendance officer

Attendance is an area we are continuing to work on across the school for this academic year. We hope to continue to see the efforts that parents and carers are going to, to ensure that children are in school every day. Please continue to maintain this in the summer term, to ensure the best possible progress for your child at school.

If you need any help or support, please get in touch with us. We are here to help.

Statutory attendance updates for the DfE

From 19th August 2024, the Department for Education is implementing statutory guidance for school to implement in regards to attendance. A link to the guidance can be found here: [Working together to improve school attendance - GOV.UK \(www.gov.uk\)](https://www.gov.uk/working-together-to-improve-school-attendance)

The guidance includes information on the following:

Term Time Holidays

We understand the frustration of holidays increasing in price during school holiday times. However, the impact of taking holidays during the term has a significant impact on the child's achievement and academic progress. It also undermines the school's rich curriculum as key knowledge is missed on their learning journey. From the start of the next academic year, Warren Academy will issue penalty notices for unauthorised term time holidays where appropriate to do so. Please take this into account before booking holidays during term time next academic year - there are 175 non-school days during the year in which to take holidays. As a result of the change in statutory guidance, penalty notices are now more severe, and monitoring is over a 3-year basis. Further information about costs of fines is detailed below.

Unauthorised Absences

Schools must consider all unauthorised absences for a penalty notice. The new threshold is 10 sessions of unauthorised absence in a rolling period of 10 school weeks. A school day is divided into two registration sessions, AM and PM. If these registrations are missed for unauthorised reasons, it may lead to penalty. Unauthorised absence can be:

- An unauthorised holiday, as explained above
- Reason has not been established as to why the child is absent
- The school is not satisfied that the reason given is one that can be recorded as authorised
- Being late after registers have closed (30 minutes after the start of the school day)

Fines

Whilst there are many changes, one of the most significant changes are around the penalty notices issued for unauthorised attendance. These fines are per parent, per child and have been increased.

First Offence – The first time a Penalty Notice is issued the amount will be:

- £160 per parent, per child, paid within 28 days.
- Reduced to £80 per parent, per child, if paid within 21 days

Second Offence (within 3 rolling years) – The second time a Penalty Notice is issued the amount will be:

- £160 per parent per child paid within 28 days.

Third Offence and Any Further Offences (within 3 rolling years)

- The third time an offence is committed a Penalty Notice will not be issued and the case will be presented straight to the Magistrates Court.

Curriculum news

Learning across our year groups this week

In F1, the children have been working on developing relationships with their peers through play, as well as building on their imagination too!

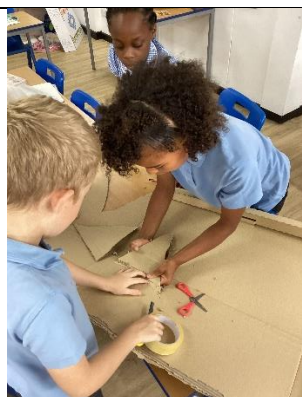

F2 celebrated the end of the year with a graduation! They sang a song and celebrated all of the children's amazing achievements. What an amazing year they have had!

Year 1 explored the concept of capacity. They had fun finding out which containers held the most and looking at the scales on the side of them.

In Year 2 Computing lessons, the children have been using 2Create to make an animated presentation about Floella Benjamin.

Year 3 have been practicing their DT skills, by learning how to build a stable structure in the shape of a pyramid.

Year 4 completed a music review using the Busy Beats sound tracks, we thought about how we can represent the music and the types of instruments we could hear too.

Year 5 have been using concept mapping in computing to help them prepare for Year 6.

Year 6 have been developing their drama, singing and performance skills, rehearsing for their end of year production.

An update from Mrs Ford, Designated Safeguarding Lead

NETFLIX

In recent weeks, school has seen a rise in the number of children discussing inappropriate content that they have accessed at home via their personal devices. This tends to be films and TV series streaming on Netflix and Youtube.

Watching content that is not age appropriate can pose several risks for children, including exposure to violence, sexual content and potentially harmful language or behaviour.

Here is a more detailed breakdown:

Desensitisation to violence: Exposure to violent content can desensitise children to violence, making them less empathetic and potentially increase aggressive behaviour.

Emotional Distress: Children may experience nightmares, anxiety and fear after watching violent or disturbing content.

Unrealistic expectations: Films often depict unrealistic portrayals of sex, relationships and adult behaviour. This can negatively influence a child's understanding of these topics.

Behavioural issues: Studies have linked exposure to violence with increased aggression.

Substance use: Lack of parental restriction of mature media, including 18-rated films, has been linked to a higher likelihood of children going onto substance use.

Peer influence: Children may be influenced by peers to watch movies not appropriate for their age, even if you may disapprove. This is why parental controls and monitoring apps are useful to monitor what your child is accessing.

Legal issues: In some cases, there may be legal consequences for adults who allow children to view 18-rated content in public settings.

What parents can do:

- Check age ratings and content warnings before allowing your child to watch.
- Use parental controls and maturity levels on streaming services to manage what your child can access. For support with how to set up parental controls on Netflix, visit: <https://help.netflix.com/en/node/264>

An update from Mrs Ford, Designated Safeguarding Lead

The holidays aren't easy for everyone and as a school we know many families and their children can miss the routine and support that school provides. In this newsletter, we have included some support agencies that are available to help over the summer.

Free Fun and Food Programme

The Free Fun and Food Programme also called the Holiday Activities and Food Programme (HAF) supports the wellbeing of children between 5 and 16 years of age, by providing a variety of activities and food during school holidays. HAF offers this to families in receipt of benefit-related free school meals during the Spring (Easter), Summer, Autumn (October) and Winter (Christmas) holidays across the city.
