

## A message from the Head of School

### Welcome back!

Welcome back to Warren Primary Academy! We hope you all had a restful and enjoyable summer break. It's wonderful to see our school community buzzing with energy once again, ready for a new term of learning, growth and shared achievements. The children have had a brilliant start back, and our curriculum has already been brought to life with lots of 'hook' lessons which are used to inspire and engage the pupils into their new topics.

You may already be aware that over the summer we were working on a new behaviour curriculum. We have now got 4 school 'houses' which all of the children have been allocated to. All of the houses make links to our Geography and History curriculum, and directly associated to Nottingham:

**Wollaton** - after the infamous Wollaton Park which houses both a natural History museum and Batman's house!

**Castle** - after Nottingham Castle which William the Conqueror built in 1068

**Newstead** - after Newstead Abbey and the history of the Byron family

**Sherwood** - after Sherwood Forest and the infamous Robin Hood!

Our new reward system is house points, and the children are given praise and reward with these demonstrating our new school rules

## The Warren Way

The children have been collecting house points for demonstrating these 3 areas around school since they have returned and the current totals are:

House	Total this week
Wollaton	203
Castle	216
Newstead	229
Sherwood	186

We will also be launching a house 'crest' competition next week, where we are asking the children to design a coat of arms to present their houses. The winning design will become what represents their house for the next academic year! Keep your eyes peeled for this!

We will also update the newsletter so parents and carers are informed of the running totals, and the winning house at the end of each half term will receive a house prize!

### OPAL - Outdoor Play and Learning

At the beginning of October, we will be starting our journey of OPAL – this is an initiative to ensure that children get 1 hour of outdoor play and learning every day. Research shows the benefits of children of all ages engaging in this on a daily basis, and we feel passionately about ensuring our children have this entitlement. In order for the launch of OPAL to be successful, we are in need of lots and lots of donations. If you know anyone who works for a company, business or charity that may be able to help us with donations, or giving community payback to support us with building things, please get in touch. We need as much help as possible in order for OPAL to be a success at Warren. We will have included a list of all of the resources we are collecting further on in the newsletter too!

Thank you for your continued support,

Mrs Salam

Head of School

## Attendance matters

### A message from Mrs Neat – our attendance officer

Attendance is an area we are continuing to work on across the school for this academic year. We hope to continue to see the efforts that parents and carers are going to, to ensure that children are in school every day. Please continue to maintain this in the summer term, to ensure the best possible progress for your child at school.

If you need any help or support, please get in touch with us. We are here to help.

### Weekly attendance target: 96%

Whole school attendance to date: 95.94%

### This week's attendance:

F1: 89.47%

F2: 98.00%

Y1: 95.80%

Y2: 99.40%

Y3: 92.40%

Y4: 97.60%

Y5: 98.30 %

Y6: 99.00%

### Attendance-opoly winners from this week:

1<sup>st</sup> place: Year 2

2<sup>nd</sup> place: Year 6

3<sup>rd</sup> place: Year 5

### Attendance processes if your child is absent from school

- All parents and carers are expected to notify school if your child is unable to attend and give reason as to why they are absent.

### If your child's attendance is above 90%

- If we do not receive communication from you, a text message will be sent to find out why your child is absent.
- If your child is well enough to attend in the afternoon, we encourage you to bring your child in, as they will receive an attendance mark for the afternoon session.
- We expect for you to continue to communicate with school on a daily basis if your child continues to be absent from school.
- If we do not receive communication from you, a house visit will be completed.

### If your child's attendance is below 90% - persistently absent

- If we do not receive communication from you, school will phone you by 9.30am to find out why your child is absent.
- Medical evidence, if your child is absent from school as they are unwell, will be requested from you.
- If medical evidence is not provided to school for your child's absence, we will complete a house visit to discuss your child's absence with you.
- If 3 home visits are made in a term, school will need to consider whether a referral to social services is required due to educational neglect.

### Lateness and unauthorised absence

- There has been a significant increase in the number of children that are arriving late to school.
- All children should arrive at school by 8.50am.
- If your child arrives past 9.30am, their attendance for the morning session will be classed as unauthorised, and this will negatively impact their attendance.
- You can receive a fine from the local authority for continued lateness past 9.30am, as this is considered to be unauthorised absence from school.

If you would like to discuss your child's attendance further, please speak to a member of our attendance team. We will provide support to families to ensure your child is able to attend school:

- **Mrs Neat** – Attendance officer
- **Mrs Salam** – Head of School
- **Mrs Ford** – DSL and Inclusion Leader
- **Mrs Curtis** – School Business Manager

Your child's class teacher will also be happy to discuss your child's attendance with you. **We are here to help you!**

## Statutory attendance updates for the DfE

From 19<sup>th</sup> August 2024, the Department for Education is implementing statutory guidance for school to implement in regards to attendance. A link to the guidance can be found here: [Working together to improve school attendance - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/consultations/working-together-to-improve-school-attendance)

The guidance includes information on the following:

### Term Time Holidays

We understand the frustration of holidays increasing in price during school holiday times. However, the impact of taking holidays during the term has a significant impact on the child's achievement and academic progress. It also undermines the school's rich curriculum as key knowledge is missed on their learning journey. From the start of the next academic year, Warren Academy will issue penalty notices for unauthorised term time holidays where appropriate to do so. Please take this into account before booking holidays during term time next academic year - there are 175 non-school days during the year in which to take holidays. As a result of the change in statutory guidance, penalty notices are now more severe, and monitoring is over a 3-year basis. Further information about costs of fines is detailed below.

### Unauthorised Absences

Schools must consider all unauthorised absences for a penalty notice. The new threshold is 10 sessions of unauthorised absence in a rolling period of 10 school weeks. A school day is divided into two registration sessions, AM and PM. If these registrations are missed for unauthorised reasons, it may lead to penalty. Unauthorised absence can be:

- An unauthorised holiday, as explained above
- Reason has not been established as to why the child is absent
- The school is not satisfied that the reason given is one that can be recorded as authorised
- Being late after registers have closed (30 minutes after the start of the school day)

### Fines

Whilst there are many changes, one of the most significant changes are around the penalty notices issued for unauthorised attendance. These fines are per parent, per child and have been increased.

**First Offence – The first time a Penalty Notice is issued the amount will be:**

- £160 per parent, per child, paid within 28 days.
- Reduced to £80 per parent, per child, if paid within 21 days

**Second Offence (within 3 rolling years) – The second time a Penalty Notice is issued the amount will be:**

- £160 per parent per child paid within 28 days.

**Third Offence and Any Further Offences (within 3 rolling years)**

- The third time an offence is committed a Penalty Notice will not be issued and the case will be presented straight to the Magistrates Court.

# Miss school... **MISS OUT**

## Coming to school when you are a bit under the weather

**Feeling a little sniffly? Don't worry, your child can still learn!**

Most mild illnesses like colds and coughs can be managed at school. Keeping your child home unnecessarily can disrupt their learning and social development.

- + If you're unsure, consult your local pharmacy, or your child's doctor for advice. Let's prioritise their education and well-being together!

## Learning across our year groups this week

What a fantastic start to the new academic year in F1! Cooperation and communication have been a core focus in F1 this week. The children have been sharing play dough, fostering friendships and building a sense of belonging!

This week, F2 had their first forest school experience. We had a great time exploring the 'Warren forest'! The children learnt our forest school rules, explored the changing season and created a nature crown using things found in the forest.

Year 1 enjoyed their first PE lesson this week, practising fundamental movements in some fun games such as running, jumping and skipping. The children also showed fantastic listening skills.

This week in RE, the children in Year 2 have been working in trios to share inferences about how people show thanks.

Year 3 have been busy learning how to code, and explored how to make characters move and make noise in a program.

This week, Year 4 began their Roman topic with an exciting afternoon of Roman-inspired crafts including weaving, mosaics and coil pot making.

This week Class 5 have been discussing the force of gravity and the effects of gravitational pull.

In Year 6 this week, the children have been continuing to develop their ability to code in computing. They created a game called Splatty Bug and then played this with their friends. After that the children planned their own game.

## Learning in The Burrow this week

**In The Burrow this week, the children have been enjoying looking at new books and practicing our drawing skills.**

## Enrichment around school

On Wednesday Year 6 attended the Safety Zone at Holme Pierrepont. The children took part in workshops led by lots of different safety professionals including the police, the fire service, the river and canal trust and NCT. The children learned so much about how to keep ourselves and others safe and Year 6 represented school and the 3Rs of the Warren Way brilliantly. A huge well done to Year 6!

## Wraparound care offer

The wraparound care offer from Premier Education club runs daily and times and costs are detailed below:

- **Breakfast Club - 7:30am till start of school - £5 per day**
- **After School Club - end of school till 4:30pm - £7 per day**
- **After School Club - end of school till 5:30pm - £10 per day**

At the breakfast club, children will be offered cereal and toast. At the after school club, a light snack of a sandwich or wrap with a choice of fillings will be on offer. Fruit will also be available as well as various drink choices (no fizzy drinks). We will cater for any specific dietary requirements. Every child attending will be given the option of a snack, including those attending until 4.30. You can book onto breakfast and after school club care here:

**An update from Mrs Ford, Designated Safeguarding Lead**

## World First Aid Day

Each year, more than 100 Red Cross and Red Crescent societies around the world organise events and ceremonies, on the second Saturday of September, to raise public awareness of how first aid can save lives everyday an in situations of crisis.

To mark this year's World First Aid Day on Saturday 13<sup>th</sup> September, the British Red cross are encouraging people to develop their first aid skills with a range of resources.

- Free online learning: <https://www.redcross.org.uk/first-aid/learn-first-aid/videos>
- A free First Aid app that gives expert guidance in your pocket. Ready to help in an emergency or to support everyday learning.  
<https://www.redcross.org.uk/first-aid/first-aid-apps>

## Do you have a minute?

Did you know the average UK user spends an average of 110 minutes on scial media every day? But if we swapped just one of those minutes to learn some first aid we could make a difference to thousands of lives across the UK. Challenge yourself by taking a few minutes out of your day to learn first aid skills. You can learn together as a family through a range of activities, which include films,

quizzes and Power Points. See [www.firstaidchampions.redcross.org.uk](http://www.firstaidchampions.redcross.org.uk) for more information.

## **First Aid at Warren Academy**

Next week children will be learning about why first aid is important and when injury or illness may require first aid, with children from Year 1 to Year 6 taking part in a first aid assembly.

Later this academic year, year 6 will also be being involved in a British Red Cross first aid workshop and the Teddy Bear hospital will be visiting Foundation 1 and 2.

## **How can you help?**

All parents should have now received data checking sheets, GDPR forms and some parents have also received medical documents to check and sign. Please could these be completed and returned as soon as possible.

If your child has any new or pre-existing medical conditions, that school are unaware of, it is vital that you let the office know so that plans and support can be put into place in case of medical emergencies.
