

School Uniform

All children must come to school in appropriate school uniform, this must also include sensible black footwear. ☺

We also have a **no jewellery** policy, so please remove all jewellery before school.

Please also bring a spare change of clothes every day, including pants and socks, as we are running very low on spare clothes.

Clothing donations are very welcome.

Phonics

This term we are continuing our phonics sessions using the whole school programme Little Wandle. Children are exploring the sounds that letters make and learning to blend those sounds orally to make words. We also enjoy a daily Little Wandle nursery rhyme.

Writing our names!

We are so proud with how hard the children have been working on recognising and writing their own names. Every morning when the children arrive, they find their name cards and practice tracing over each letter.

Here are a few more activities you could try at home:

Welcome to Nursery

SPRING 2026

We are very proud to say that all children have settled so well into school.

Already we have seen them grow in confidence and they have built upon their language skills.

Nursery staff:

- Miss Darlow (Teacher MTW)
- Mrs Wilkinson (Teacher WTF)
- Mrs Timmone (Teaching assistant)
- Miss White (Teaching assistant)
- Miss Coe (Teaching assistant PM)

Topic

Our topic for **Spring 1** is
'Long, Long Ago.'

We will be learning and talking about how we've changed and grown since we were babies. We will be finding out about kings and queens and learning lots about dinosaurs!

Our topic for **Spring 2** will be
'Food Glorious Food'.

We will be learning, talking about and finding out healthy and non-healthy foods. We also hope to taste and name lots of new foods!

We will also enjoy making and creating activities.

Balanceability

This term we will continue with balance ability.

Balanceability combines unique ergonomic balance bikes with a schedule of fun activities that build confidence, spatial-awareness and dynamic balance skills, enabling young children to cycle without ever needing stabilisers.

Remember you can reply and send us photos/videos of what your child is doing and achieving at home.

We love to hear them tell us about their experience at home.

Our class email address:

A reminder of our class email address, please send us an email if you need any further support with home learning or you would like to send us photos of your child completing their home learning activities.
