

English

We will be focusing on many different books and looking at settings and characters.

Our focus will be forming and holding sentences in our heads, along with handwriting and letter formation.

We will continue to work on developing phonic knowledge in our daily phonics sessions.

PE Kit

PE is an important part of your child's education.

Please remember to send your child **to school in full PE kit** on the days your child has PE.

Please see poster in window for our PE uniform expectations.

Remember – no jewellery!

Reading Books

We believe in the importance of regular reading and expect children in Year 1 to be reading at home **at least 3 times a week**. It is important that this is recorded and in the Reading diary.

This year children will have a reading book that is closely matched to the sounds they have been learning in their phonics lessons. We continually assess children's knowledge of the sounds they know. Children will read their book in school 3 times with an adult, and the same book will be sent home to consolidate and build on reading fluently with expression.

Reading books need to be returned every day! Children will not be able to receive a new book until the current one has been returned.

Children also choose a 'Read Together' book for home. These are for you to read to/with your child

Please feel free to get in contact with us about your child's reading at any time.

Packed lunches

All year 1 children are entitled to Universal Free School meals and will be given a hot dinner at lunch. Children are welcome to bring in their own packed lunch if they wish.

Forest Lodge is a healthy school and we advise parents that children can only bring in **bottles of water**.

Please **no** fizzy drinks or juices!
Reminder that we are a **nut free school**!

Homework

This half term we are focussing on reading. If you are supporting your child with writing at home please ensure they are forming their letters correctly. Encourage your child to count objects in and around the home and with their formation of numbers to 10.

Maths

Throughout the Autumn Term Year 1 children will be covering many topics. These include:

- Number place value within 10
- Addition & Subtraction within 10
- Geometry shape

School Uniform

All children must come to school in appropriate school uniform; this must also include sensible black footwear.

We would be grateful if clothing could be **labelled** as children sometimes mislay their belongings and we need to make sure that they get them back.
